Policy name: Moonrock drone insurance policy

Underwritten by: Svalinn 1319 Ltd trading as Moonrock under a delegated authority from Hiscox Underwriting Ltd on behalf Hiscox Insurance Company Limited

Your obligations

Remember, your premium and insurance are based on the details you have provided to us. You must make sure that this information accurately reflects your circumstances and that you inform us as soon as reasonably possible if anything needs to change. You must also tell us of any changes in circumstances that may affect the cover provided by your policy. This is particularly important before taking out a policy, but it also applies throughout the life of the policy too.

You need to consider:

- if you fail to fairly present the risk to us, including by failing to disclose any information material to the insurance, you could invalidate the policy, claims may not be paid or the amount we pay may be reduced;
- we will only cover you for the activities you have told us about and we have agreed to cover. If you have not told us about any of your activities, it is unlikely you will be covered for any corresponding claim or loss;
- we will not make any payment in respect of any claim made against you which arises from anything you knew, or ought to have known, before the start of the period of insurance which would be likely to result in a claim;
- you should read and check all insurance documents to ensure that you are aware of the cover, limits and other terms that apply;
- if you fail to let us know of any changes to your circumstances during the period of insurance or, if when telling us about such changes you fail to present the risk to us fairly, you could invalidate the policy, claims may not be paid or the amount we pay may be reduced;
- please be aware of all terms and conditions of your policy because failure to comply with them could invalidate it or result in us not paying a claim or reducing the amount we pay;
- if you make a fraudulent claim or try to deceive us, we may terminate the policy, refuse to make any payment and retain all premiums paid.

Policy length

The period of insurance is shown on your policy schedule. Cover under the policy will cease at the end of the period of insurance unless you renew your policy with us.

Geographical and jurisdiction limits

Where any section of your policy schedule shows the geographical limits which apply to that section of the policy, we will only pay for claims and losses under that section which arise from activities performed or acts, incidents or occurrences taking place within those geographical limits.

Where any section provides cover in respect of your liability to third parties, we will only cover claims first made in a country within the scope of the applicable courts stated in that section of your policy schedule.

Cancellation rights

You may cancel the insurance by giving us 30 days' notice in writing of your intention to do so. We may also cancel the insurance by giving you 30 days' notice in writing of our intention to do so.

In both cases, we will return to you the amount of premium which relates to the unexpired period, provided that no claims have been notified under the insurance. If a claim or claims have been notified, then we will only return any premium if we (and not you) are cancelling the policy. However, we will not refund any premium under £20.

You have an obligation to protect your property against loss or damage and to keep any property insured under this policy in good condition and repair. You must also take reasonable steps to prevent accident or injury and make every reasonable effort to minimise any loss, damage or liability.

You will normally have to pay an initial amount for each claim made against you under the policy. These excesses may vary and your individual quotation and policy schedule will show the specific excesses applicable to you. Any special conditions, limitations or terms that may apply to an individual risk will also be clearly shown in your quotation and policy schedule.

- to any drone resulting from any work taking place in, on or over any nuclear installation, airport, aerodrome or aircraft tower;
- to any camera lens caused by scratching, unless the drone suffers damage by the same cause and at the same time.

- the possession or use of any aircraft, hovercraft, watercraft or mechanically propelled vehicle, other than a drone;
- any designs, plans, specifications, formulae, directions or advice prepared or given by you in relation to your activities and responsibilities as a drone pilot before, during or after any flight;
- the failure of any service, process or system provided by you to perform or serve its intended function or purpose;
- the use of any drone for personal or recreational purposes or any competitive purposes, including racing and stunt flying;
- any work which takes place in, on or over any nuclear installation, airport, aerodrome or aircraft tower;
- any armed forces activities, including operations, exercises and training;

- any work undertaken by bona fide sub-contractors unless you take all reasonable steps to ensure that they have and maintain in force public liability insurance with a limit of indemnity of not less than the limit which is held by you.

Employers' liability cover will not make any payment for any claim or loss directly or indirectly arising from:

- bodily injury, illness, death or disease of any of your employees or volunteers while they are offshore.

In the event of a claim

If anything happens that might be covered under the policy, you must comply with the obligations set out in General claims conditions within the General terms and conditions, together with the obligations set out under Your obligations in the section or sections under which you are making the claim. It is particularly important that you notify us of the incident or event giving rise to the claim in accordance with the notification provisions set out in the relevant section of the policy. If someone brings or threatens to bring a claim against you, you must not make any admission of liability or make any offer of settlement or appoint solicitors or other legal representation without our prior written agreement.

If you do not comply with these obligations, we may be entitled to refuse to cover you entirely, or reduce the amount we pay, for that particular claim. As with any insurance, you have an obligation to take reasonable steps to mitigate any loss or liability.

In the event of a claim, you must bear the amount of the corresponding excess stated on the policy schedule, if applicable.
